MICHAEL W. DOBBINS
CLERK, U.S. DISTRICT COURT

Dear Correspondent:
NO. 08 C 1866

First and foremost, on April 21, 2008, Plaintiff's emergency letter [7] was clearly accompanied with substantiated exhibits, written objection and opt-out motion, duplicate opt-out form, and two (P-96) mailing receipts showing proof that the above-mentioned documents were served and mailed out before October 8, 2007 deadline.

Second of all, the initial date of the complaint is in conjunction and refers to the class action filed date (Jackson v. Sheriff of Cook County, et al. NO. 06 C 493 (N.D. IL)), and any class member who objected or opt-out of settlement agreement before October 8, 2007, Judge's Court deadline was allowed to proceed claims separately.

More importantly, Plaintiff complied with Judge Court's Notice of Settlement of Class action by opt-out of class before deadline of which copies of supporting documents were attached

to Plaintiff's emergency letter Dec. [7]

So therefore, Plaintiff shall be allowed to amend the above complaint to reflect a continuation of class action claim (NO. 06 C 493) as an independent lawsuit.

In closing, Plaintiff highly demands counsel be appointed to this complexed lawsuit. Nowadays, Plaintiff's current trust fund balance has changed, and he intends to forward updated informa pauperis papers as soon as Authorities render present documents.
